

Thule Chariot Chinook Rain Cover

➤ Instructions

GENERAL WARNING

- Never leave a child unattended in the Thule child carrier and store the rain cover out of reach of children to avoid any possibility of suffocation.
- Ensure that the rain cover is dry before storing to avoid mildew.

USING THE RAIN COVER

- A. Attach the Thule Rain Cover at the top of the Thule child carrier, by hooking the metal rings around the cargo bag attachment points.
- B. Pull the top side loops around the studs at the top frame of the Thule child carrier.
- C. Pull the bottom side loops over the tabs at the front of the Thule child carrier
- D. Pull the center of the Thule Rain Cover over the front wheel and Velcro the two tabs together under the arm.
